

i) Arrangement dated 2007/01

Investment and Development Banks data, taken place in the "Non-Bank Financial Institutions", have been classified as a "Domestic Bank" in the money and banking statistics beginning from the data of December 2005 with the arrangements made on January 2007 (In order to comply with international standards, definition of monetary sector is expanded to cover Investment and Development Banks, Participation Banks and B-Type Liquid Funds (Money Market Funds) in addition to the Central Bank and Deposit Money Bank). In this context, banks' transactions with the related institutions have been included in "interbank" items in the related tables. Investment and Development Banks have been reflected to banks and Central Bank sectoral balance sheet, monetary survey and money supply counterpart items tables as a new institutional unit of the monetary sector.
