

i) Arrangement dated 2007/01

- In the context of changes in "Uniform Chart of Accounts" on January 2007 and as well as compliance with international standards, "Central Government", "Local Government" and "Social Security Institution" have been shown under the main item of "General Government" beginning from the data of December 2005. In this framework, required arrangements have been made in the banks and Central Banks' loan, deposit, and the sectoral balance sheets tables of banks and central bank.
- "Revolving Fund Organizations" which were previously classified under the "Central Government" until December 2005, have been classified under "Non Financial Public Institution" since then with the arrangements made on January 2007. The data of banks and central bank have been reflected to deposit table (according to the institutional sector) and required arrangements have been made in sectoral balance sheets.
- "Courts, Attorney, Execution and Bankruptcy Office, Legacy" and "Cash Deposited by Court Decision" accounts, which were previously classified under the "Central Government" until December 2005, have been shown under the "Private Sector" beginning from December 2005 with the arrangements made on January 2007. The data of banks have been reflected to deposit table (according to the institutional sector) and required arrangements have been made in sectoral balance sheets.
