

PRESS RELEASE ON PRESS CONFERENCE

The “Inflation Report” will be published on 26th of October 2011, Wednesday and a press conference will be held for the presentation of the Report at 10 am on the same day at the Conference Hall of the Head Office of the Central Bank of Turkey.

At the meeting, besides Governor Başçı's presentation on the Inflation Report, a five-point action plan on price stability, interest rate policy, foreign exchange reserves policy, required reserves policy and financial stability, which will significantly reinforce the value of the Turkish lira, will be announced.
