

Press Release on Changes to Structure of Investment Tendency Statistics

26 April 2021

No: 2021-19

Effective from 26 April 2021, the Investment Tendency Statistics are gaining a new structure.

The Investment Survey is conducted by the CBRT in full compliance with the “Joint Harmonised European Union Programme of Business and Consumer Surveys”, and the survey’s structure has been changed to conform with revisions made in the programme. Information regarding the changes is accessible through the [Metadata](#) and [Methodological Changes](#) headings on the CBRT website Investment Tendency Statistics page.

The new series of the Investment Tendency Statistics have been calculated in accordance with the new method so as to cover previous periods and have been revised as of the 2009 Spring period. The revised data are accessible on the [Investment Tendency Statistics](#) page.
