## WEEKLY MONEY AND BANKING STATISTICS

### EXPLANATION AND DEFINITIONS

Banking statistics in this report are gathered from weekly statistical reporting forms submitted by deposit money banks, investment and development banks and participation banks directly to CBRT and they are provisional.

Money and banking statistics compiled in line with international statistical standards cover only domestic head offices and branches of banks and exclude transactions of their foreign branches as required by residency rule. Thus, users should keep take this in account when comparing banking statistics in this report with those in other sources.

Deatiled presentations and time series can be accessed at CBRT web site under "Statistics / Statistical Data (EVDS) / Money and Banking Statistics" (<https://evds2.tcmb.gov.tr>).
