(\*) For travel incomes, international transport expenditures of foreign visitors and Turkish citizens residing abroad while making their trips to Turkey by domestic airlines and mobile phone roaming costs in Turkey are not included. Likewise, for travel expenditures, international transport expenditures of Turkish resident visitors while making their trips abroad by foreign airlines and mobile phone roaming costs abroad are not included. In balance of payments table, international transportation and mobile phone roaming expenditures are not recorded under travel item. They are recorded separately under transportation and telecommunication services items, respectively. For this reason, there is a difference in scope between the total tourism incomes and expenditures figures published in TURKSTAT's tourism statistics and the travel item in the BOP.

(\*\*) As stated in the "Public Announcement Related To Tourism Statistics Press Release" of TURKSTAT dated on July 27, 2020, due to the closure of the border gates in line with the measure of Coronavirus pandemic (COVID-19), the survey could not be carried out in the second quarter (April - June period). Accordingly, the press release of "Tourism Statistics, 2nd Quarter: April - June, 2020" could not be published. The data for June 2020 is the estimates used for the balance of payments statistics.

The table is updated quarterly in accordance with TURKSTAT's Tourism Statistics.

Figures in table may not add up to totals due to rounding.
