- Financial Services Statistics and Financial Services Confidence Index has been carried out as part of the "Joint Harmonized European Union Programme of Business and Consumer Surveys" and published as part of the "Official Statistics Programme (OSP)" based on the Statistics Law of Türkiye.
- Financial Services Confidence Index is based on the responses given to the Financial Services Survey of the CBRT conducted with the institutions operating in the financial sector .
- Aggregated results and methodological information are available at the web site <http://www.tcmb.gov.tr> under the menu Statistics/Tendency Surveys/Financial Services Survey and Financial Services Confidence Index. In addition, time series data can be reached at "Statistics/Electronic Data Delivery System (EVDS)/All Series/ Financial Services Survey".
- The survey results are compiled from the responses of the participants and do not reflect the views or predictions of the Central Bank of the Republic of Türkiye.
